

MINNETONKA®

2023 IN STOCK & SEASONAL COLLECTION

WE'RE THE
BRAND FOR
PEOPLE
WHO WANT TO
FEEL LIKE
THEY'VE NEVER
LEFT HOME

Crafted with care for cozy moments with family and friends or those light outdoor adventures – comfort, quality, and classic style have been at the forefront of Minnetonka products since 1946. While handcrafting footwear with excellent materials has been our family tradition for four generations, we are also committed to becoming more sustainable and socially responsible. It is our hope that Minnetonka's story – and the decades of love for our brand – will continue to live on and evolve for the better for generations to come.

Whether it's cozy slippers and boots, comfortable sandals and sneakers, or classic leather mocs – we'll always be there to provide you with moments of comfort that are crafted to last a lifetime.

WARMEST WISHES FOR 2023

Cheers to another year! As we continue to move into a new decade, exciting new things are happening with the Minnetonka brand. We are thrilled to tell you that our Home & Away collection is growing, and as you explore the pages of this catalog you will notice some fresh new styles that are specially-designed with outdoor wear in mind. We are also proud to announce even more products that align with our ongoing commitment to doing the right thing for our people, our community, and our world.

For 2023, we are continuing to focus on comfort and sustainability with extra styles added to the well-received Minnetonka Ecowise collection – our first line of versatile, eco-friendly footwear made from durable recycled materials that was launched this past year.

After a successful sold-out launch this past October in honor of Indigenous Peoples’ Day, we’re also proud to share a collection of Minnetonka x Lucie Skjeftte: Ziigwan Waabigwan Mocs featuring new fall colors. This is just one of many more Native-designed collections to come.

Thank you for being a valued Minnetonka customer. Despite these challenging times, we are grateful to be able to continue our business through your support, and the hard work and dedicated service from our team.

All the best,
David Miller, CEO
