SHEPHERD®

Scandi Ease

This season, Shepherd of Sweden takes another step forward with Scandi Ease, a collection that captures both timeless craftsmanship and contemporary trends. Inspired by the natural beauty of genuine materials, we introduce new silhouettes in soft suede, a material that perfectly bridges seasons and occasions.

Clogs take center stage, reimagined with a modern twist while staying true to our roots in craftsmanship and comfort.

Alongside them, classic loafers and unisex designs reflect a growing demand for versatility and effortless style.Each piece is carefully crafted from natural materials that age beautifully and embody the warmth of Scandinavian design.

With Scandi Ease, Shepherd continues its journey toward becoming a all year-round brand, genuine, handcrafted, and rooted in Scandinavian design.

Comfort Meets Craftsmanship!

Designed with style and comfort in mind, Shepherd Jan shoes bring together style and elegance in a classic espadrillos design in suede. A perfect choice for those who value timeless style and functionality.
